If your club wishes to honor an individual member with an Honorary Life membership in the NCFRW please review the criteria below and **submit a copy of the honoree's biography to me by mail or email at the address above.**

Mail the original of the biography and a check for \$75.00 per candidate (payable to the NCFRW) to NCFRW President Zan Bunn, 107 Esplanade Court, Cary, NC 27511. Both letters and the check need to be received no later than April 28, 2017. These honorees will be recognized at the NCFRW Convention in May 2017.

To be chosen, an individual **must** meet the following criteria:

- 1) Be a dues-paying member of their NCFRW club for at least five years.
- 2) Be dedicated to the principles of the Republican Party.
- 3) Be an active participant in club activities.
- 4) Must have served at least two years as a member of the NCFRW Board of Directors. (A club president is automatically a member of the NCFRW Board of Directors.)

If your club has not participated in the past, I hope you will make an effort to nominate a member from your club. When an individual becomes a NCFRW Honorary Life Member, she is not considered a member of a club unless her club dues are paid, however, a club may choose to pay the individual member's dues.

The Selection Process

The selection process begins at the club level. Individual club members may nominate a candidate for Honorary Life Membership, but the decision to present an application to the NCFRW Honorary Life Chair is the privilege of the club's board of directors (as determined by your club bylaws.) When a candidate or candidates have been selected, the club president must complete and submit the forms **by April 28, 2017**. The biography should list the past and present accomplishments of the candidate. Please call me if you have any questions. Gloria Tadlock
