

REQUIRE VOTER ID

The right to vote is one of the most important rights bestowed on an American citizen. Identification is required in many areas of our life, including entering some federal buildings and boarding an airplane, but is not required in North Carolina for the purpose of casting a vote.

The state of North Carolina has a responsibility to ensure the voters of our state than only qualified voters will be able to cast votes and citizens' votes will not be diminished by votes that are cast illegally.

The citizens of North Carolina deserve to know where the legislators stand on this most important issue.

Therefore, I, _____, in my capacity as a member of the North Carolina General Assembly, do hereby pledge that I will personally support and promote the passage of legislation to require all voters in North Carolina to be required to submit acceptable identification before being allowed to cast a vote in our state.
